Wayne McCracken, Film Production Crew Member

About

I'm a recent graduate looking to acquire as much on-set experience as possible. Looking to focus on camera department (cam asst./DIT), but also experienced with grip & lighting depts.

Skills

Camera: Blackmagic Production Camera 4K, Canon EOS 7D. Have built the former with complete kit, including shoulder-mount, video monitor, and follow focus. Used manfrotto fluid-head tripods and sliders. Have moderate experience as focus puller and slating. *Grip:* Doorway dolly and dolly tracks, support equipment (C-stands, sandbags, apple boxes), Green screen setups with butterfly frame (6x6 & 12x12), and flags, nets. *Lighting:* Fresnel 650s, open-faced 1Ks, Kino-flo fluorescents (with interchangeable 3.2K/5.6K bulbs), portable LEDs, gels.

On-set etiquette, walkie-talkie use, first-aid, set calls.

Work Experience

CNA Films, Short Film: "Off-Course" - Best Boy (Lighting), Promotions
May - June 2017

- Took instructions from Gaffer in lighting a built set (interior of airplane) and the inside of an airport.
- To promote the movie, myself and one other created a short 15-min documentary about the subject.

Insight Productions, TV Show: "Amazing Race Canada" - Production Assistant
May 2017

- Had responsibility of cleaning cars to appear on camera.
- Drove producers to locations.

St. John's International Women's Film Festival, Workshop: "Framed West" - Assistant
April 2016 & April 2017

- Aided in teaching participants the basics of filmmaking in 3-day workshop.

Stephenville Arts & Culture Centre, Play: "Falling Trees" - Camera Operator
November 2016

- Used a two camera set-up (HVX200s) to record the production.
